Notes

- Setup prices include a new bridge, a new soundpost, and the first adjustment after fitting.
- Bridge and soundpost prices listed separately are for that work alone, not a full setup.
- Strings, blanks, and other fittings are billed separately unless included in the service.
- Crack repair, varnish retouch, bushings, neck work, and restorations are quoted after examination.
- Guitar, ukulele, and other fretted work is available; ask for a quote or current service menu.
- Prices follow the current shop catalog. Applicable New York sales tax will be added.
